WORK EXPERIENCE

Champ Tech Innovations Pvt. Ltd.
JUN 2025 - PRESENT, MUMBAI

- Epic Infocus – UI/UX Designer (Aug 2025 – Present)
- Managed the entire product design process across client app, staff app, and admin dashboard.
- Redesigned all three platforms to enhance usability, visual consistency, and user engagement.
- Helped in frontend development by ensuring accurate design implementation and smooth design-to-code transition.
- Streammly – UI/UX Designer (Jun 2025 – Aug 2025)
- Leading design of an admin dashboard that manages backend operations of a multi-service app.
- Collaborated with developers to ensure pixel-perfect implementation and design consistency across components.

TapFin
JAN 2025 - APR 2025, MUMBAI

- UI/UX Designer Intern (Jan 2025 – Apr 2025)
- Designed an electric vehicle management dashboard with real-time data visualization and intuitive controls.
- Prototyped interactions in Figma and conducted stakeholder walkthroughs to validate flows.

Rao Associates (Govt. Approved Valuers)
OCT 2024 - JAN 2025, MUMBAI

- UI/UX Designer Intern (Oct 2024 – Jan 2025)
- Designed & developed responsive websites for clients like Bubbl.co, Kanbox.io, and Ark Academy; with a focus on usability and modern UI patterns.
- Created brand visuals and motion graphics for social media, increasing client reach by 40%.

PROJECTS

Location Management – Enterprise Platform + Client App Integration

- Designed a connected Location Management System enabling seamless coordination between admin and client platforms, ensuring accurate data synchronization across locations.
- Simplified multi-studio workflows with intuitive navigation, scalable architecture, and automatic linking of reviews, bookings, and staff data.

Event Booking System – End-to-End Experience Design

- Redesigned the end-to-end event booking and management system to streamline multi-event workflows for admins and clients, consolidating all sub-events under a single quotation.
- Built an integrated Client App + Admin Dashboard enabling synchronized workflows for quotation creation, booking confirmation, event coordination, and post-production management.
